To: Yamboree peddlers / vendors

From: City of Gilmer

Subject: City permits for peddlers / vendors

The Yamboree Association is beginning its planning for Yamboree 2020. As part of that process, peddlers / vendors participating in the Yamboree festival will be required to purchase a peddler / vendor permit from the City of Gilmer. This permit is for use only during the Yamboree and is available at the reduced fee of \$10.00.

We are enclosing an information sheet that explains the permit, the fee, and eligibility for the reduced fee. Also included is an application for the peddler / vendor permit. **Please be sure and return the Yamboree Festival Peddler/Vendor Permit Application, the \$10.00 fee, and a copy of your receipt from the Yamboree Association for booth space rental to the City of Gilmer.**

After reading this, if you have questions, please contact City Hall, at 903-843-2552.

The City of Gilmer looks forward to working with you to prevent problems and have a great Yamboree 2020.

Sincerely,

Maria Cisneros  
City Secretary
