

The Gilmer Mirror

Yamboree Scholarship Information

The following information will be needed for a Yamboree scholarship writeup in The Mirror. If you have a long list of honors and awards, we ask that you include only the top five that are most important to you. We are sorry, but space in the paper no longer allows us to print additional information, so please do not add information to this form. Please print or type. If you choose to use a computer, please type exactly as shown on this form. Keep in mind, this will go out in the fall of 2023 so it needs to be written in past tense.
